ALPI

L'aspetto più rustico del legno, unico ed intramontabile, trapela da una materia ceramica che offre ad ogni ambiente, con grazia e sobrietà, le sue tipiche venature e i nodi più casuali.

Wood in its most rustic, unique, eternal form, expressed by a ceramic material that offers its distinctive veining and most random knots for any interior with grace and good taste.

L'aspect plus rustique du bois, unique et impérissable, est exprimé par une matière céramique, dont les applications en repropoent, avec grâce et sobriété, le veinage typique et le caractère fortuit des nœuds.

Keramische Fliesen mit dem unvergänglichen Charme der einzigartigen, rustikalen Optik von Holz gestalten jeden Raum mit der schlichten Schönheit seiner typischen Maserungen und unregelmäßigen Aststellen.
